## Report of School Board.

---

The School Board would submit the following report for the year ending February 15, 1894 :

EAST SCHOOL.—This school was taught during the spring and fall terms by Miss Elva A. Lobdell of Silver Lake, Mass., its former teacher. Her methods of teaching and management of the school were satisfactory to the board, and it was regretted by us that her services could not be secured for the remainder of the year, but a previous engagement would not admit of it. The winter term was taught by Miss Mary J. Prescott of Kensington, a teacher of some experience, and a graduate of the Putnam School, of Newburyport, Mass. The school was taught to the entire satisfaction of the board.

WEST SCHOOL.—The spring term was taught by Miss Anne Shinnick of Exeter. Her methods of teaching and management of the school were not as satisfactory as we desired. The fall term was taught by Miss Alice M. Hodge of Amesbury, Mass. She lacked energy in the management of the school and seemed to aim to amuse the scholars rather than to hear their recitations. The winter term was taught by Miss Mira A. Morrill of Hampton. Miss Morrill was equal to the task that she undertook. Order was restored, and the progress made was highly creditable to both teacher and scholars.

NORTH SCHOOL.—This school, during the year, has been under the instruction of Miss Anna Thompson of Stratham, a graduate of the Normal School, Salem, Mass. This was Miss Thompson's first attempt at teaching. The school has made satisfactory progress under her care. The board are of the opinion that she will make a first-class teacher.

SOUTH SCHOOL.—This school, during the year and for several years past, has been under the instruction of Miss Edna M. Hardy of this town. She has maintained her previous reputation as a teacher.

## TRUSTEES' REPORT.

At the last annual meeting, W. W. Wakeman, E. B. Towle and Jack Sanborn were chosen to serve as a Board of Trustees for the library with terms expiring in 1895, 1896 and 1897, respectively. Subsequently, Miss Helen M. Sanborn was appointed by the selectmen in place of Jack Sanborn, resigned. Following is their report:

Increasing interest in the library among our citizens is evidenced by the fact that two hundred and seven withdrawal cards have been issued this year, as against one hundred and sixty last year. The library has been open regularly on Saturday afternoons during the year, and for the convenience of patrons belonging to the Grange and others, it has also been opened twenty-four evenings.

Seventy-four new books have been purchased, and six volumes have been donated, making the whole number now in the library, four hundred and twenty-nine.

Occasion may here be taken to caution persons who draw books against returning them to the library table in the absence of the Librarian and failing to report the same. Books should be returned directly to the Librarian, otherwise those to whom they are charged will be held responsible in case they are lost or are misplaced till they are overdue.

The Librarian recommends that the town establish a regulation requiring that all books shall be returned to the library on the first Saturday in May, and that no books be issued therefrom until the second Saturday following, in order that an opportunity may be provided for an annual inspection of the entire library and the making of necessary repairs.

W. W. WAKEMAN,  
HELEN M. SANBORN, } Trustees.  
E. B. TOWLE,

In their order as their term of office expires.

## Report of School Board.

---

The School Board submit the following report for the year ending February 15, 1895 :

EAST SCHOOL.—This school has been under the instruction of Miss Mary J. Prescott, of Kensington, during the year. She gave her whole attention to the work, and gave entire satisfaction to the board.

WEST SCHOOL.—This school has been under the instruction of Miss Mira A. Morrill, of Hampton, and we think she has maintained her reputation of last year.

NORTH SCHOOL.—This school has been under the instruction of Miss Annie A. Morrill, of Hampton. Her qualifications were good, but her methods were not entirely satisfactory to the board.

SOUTH SCHOOL.—This school has been under the instruction of Miss Edna M. Hardy, of this town, and she has more than maintained her reputation of previous years. We call the attention of parents to the fact that better attendance and more attention should be given by the pupils, in order to have our schools reach that standard which is most to be desired.

# Library Report.

## TRUSTEES' REPORT.\*

The time will soon come when we shall want more shelf room for books in our library. All the available space is now occupied in the book case. Some plan will have to be devised before the close of the present year in regard to the matter. We would recommend that a committee be appointed at the annual town meeting in regard to providing more shelf room. One hundred and one volumes have been added to the library the past year. Whole number now in the library, five hundred and thirty.

## Report of School Board.

---

The School Board submit the following report for the year ending February 15, 1896 :

EAST SCHOOL.—The spring term was taught by Miss Mary J. Prescott, of Kensington, who successfully taught the year before. The fall and winter terms were taught by Miss Lillian M. George, of Amesbury. Her methods were exceedingly good, and the progress was satisfactory.

WEST SCHOOL.—This school was under the instruction of Miss Edith S. Brown, of this town. She fully maintained her good reputation of former years.

NORTH SCHOOL.—This school has been under the instruction of Miss Florence M. George, of Amesbury. This was her first experience in teaching a public school. Her methods were excellent. She gave her whole attention to the work, and the progress was very satisfactory.

SOUTH SCHOOL.—The spring term was taught by Miss Edna M. Hardy, of this town. She maintained her previous reputation of last year. She resigned at the end of the term with much regret to all. The fall and winter terms were taught by Mr. Irving C. Gove, of Kensington, a graduate of Sanborn Seminary. Order was maintained, and we found the recitations good.

If the pupils attended more regularly and the teachers were better sustained our schools would be much better.
